Title of the Event	National Environmental Exhibition held in Rishikesh
Date of Event organised	8/12/2016
Name of the event coordinator	Mr. Anuj Raturi
Class of Participant	B.Tech ME 2 nd Year
No of Participants	20
About Event:	DBIT mechanical engineering students going to participate in national environment exhibition held in rishikesh. During the exhibition, the participating students and teachers not only display their scientific talents through their models and exhibits, but also get an opportunity to listen to some of the eminent scientists and scholars of the region in which the exhibition is organised. Additionally, they would be able to interact with one another and share their views and, in the process, also share the diverse cultures of our country.
AIM of the Events:	<ul style="list-style-type: none">• to create awareness about environmental issues and concerns and inspiring children to devise innovative ideas towards their mitigation• to provide a forum for children to pursue their natural curiosity and inventiveness to quench their thirst for creativity• to lay emphasis on the development of science and technology as a major instrument for achieving goals of self-reliance and socio-economic and socio-ecological development
