

Dev Bhoomi Institute of Technology, Dehradun

Approved by AICTE, Min. of HRD, Govt. of India, (Affiliated to Uttarakhand Technical University, Dehradun)

Event Report (2017-18)

Name of Department	Department of Mechanical Engineering
Event category (Workshop/Guest Lecture/Seminar/Education Visit etc)	Workshop
Title of the Event	"Off Campus workshop on robotics".
Date of Event organized	02/03/2018
Name of the event coordinator	Mr. Jitendra Silswal
Class of Participant	B.Tech2 nd Year
No of Participants	22
About Event:	<p>This is a beginner's workshop to start with Robotics. The workshops deal with learning basics of robotics and application of LEDs, Sensors and Motors.</p> <p>Students complete 2-3 Practical Activities during Workshop.</p> <p>Proper Hands – On Session would be conducted for the students so that they can grasp practical knowledge by using Special Kits and get an immense exposure and expertise in the fields of Robotics.</p>
AIM of the Events:	<ul style="list-style-type: none">• The main aim of the workshop was to provide an exposure to different kinds of robots.• Students learned about practical implementations of all basic sensors and how these works.
