Annual Parent Teacher Meetings 2020

Under the Annual Parent-Teacher Meets series, a successful meet took place today at DBGI's Dehradun Campus, where several parents gathered to be a part of the institute's unique initiative of bridging the gap between the parents of the students & the teachers through mutual cooperation. The concerned parents actively participated in open conversations with the mentors regarding the welfare of their wards and took suggestions from the mentors. Our mentors also explained the benefits of the ERP system to parents and our expert ERP head also taught them how to use the ERP application.
