Event Report 2014-15

Name of Department	Mechanical Engineering
Event category (Workshop/Guest Lecture/Seminar/Education Visit etc)	Workshop
Title of the Event	Skill Development workshop on "Maintenance of AC system"
Date of Event organised	7/03/2015
Name of the event coordinator	Mr. Jitendra Sharma
Class of Participant	B.Tech 3 rd year
No of Participants	72
Name of the experts	Mr. Ajay Dubey ,
Contact number and address of speaker	Maintainence Manager Voltas Limited
About Event:	Students in this course will be able to charge, evacuate, and troubleshoot an actual AC system as they would in the field. Proper maintenance and troubleshooting scenarios of multiple systems will be discussed to give the attendee the best understanding possible. Learning to use the proper tools is very important and service equipment such as vacuum pumps, manifold gauges, charging scales, multimeters, and more will be used in the hands-on applications. Learn from the experts on how to troubleshoot and repair an air conditioning system in the fastest and most efficient way possible
AIM of the Events:	<ul style="list-style-type: none">• To understand the working of AC• To repair AC• To Understand the common AC faults
