

# Dev Bhoomi Institute of Technology

Approved by AICTE, Min. of HRD, Govt. of India, (Affiliated to Uttarakhand Technical University, Dehradun)

## Event Report 2016-17

<b>Name of Department</b>	Mechanical Engineering
<b>Event category ( Workshop/Guest Lecture/Seminar/Education Visit etc)</b>	Workshop
<b>Title of the Event</b>	Workshop “Composite Materials and its application”
<b>Date of Event organised</b>	01/04/2017
<b>Name of the event coordinator</b>	Mr. Rashid Aktar
<b>Class of Participant</b>	B.Tech 4 <sup>th</sup> year
<b>No of Participants</b>	55
<b>Name of the experts</b>	Mr. Anuj Raturi
<b>About Event:</b>	The main objective of this workshop is to bridge the gap between the academic knowledge and ongoing technological advancement for the functional composite materials in terms of its scope and challenges. The expert sessions from both industry and academics helps the researchers to understand the key issues related to the composite manufacturing, machining and sustainability for various applications.
<b>AIM of the Events:</b>	<ul style="list-style-type: none"><li>• Inside Advanced composites – A look into raw materials that make composites.</li><li>• Machining of Polymer Matrix Composites.</li><li>• Advance Composite Materials: Scope and Challenges.</li><li>• Functionally Graded Materials</li><li>• Practical Experience on Composite Manufacturing Processes</li></ul>
